

Electric Shocking

Night after night
 The little 4 year old girl
 Was tortured
 And prompted to do
 Whatever served her father
 And the bad men
 For prostitution
 Pornography and government crimes.
 If she fell asleep in exhaustion
 And the shocks didn't wake her
 Her father burned her feet
 But Daddy, I'm so tired
 Please can I go to sleep now?
 Stop
 It hurts so bad ...
 Ough!
 The bad daddy said,
 "If you wake up when you hear this sound ...
 You won't get hurt."
